

Ex/SC/UG/CORE/TH/11/2025

BACHELOR OF SCIENCE EXAMINATION, 2025

(3rd Year, 1st Semester)

GEOGRAPHY

PAPER : SC/GEOG/UG/CORE/TH/11

[Fieldwork and Research Methodology (C511T)]

Time : 1 Hour 30 Minutes

Full Marks : 30

Answer from **all** the Units as directed.

The figures in the margin indicate full marks.

Unit-1

Answer *any one* question :

10×1=10

1. Discuss the major elements and structure of a scientific research paper. What is the importance of presenting an abstract in a report?
8+2=10
2. What are the major conditions required for a good research design? Mention different types of observation techniques used in geographical research.
5+5=10

Unit-2

Answer *any two* questions :

5×2=10

3. What is the significance of fieldwork in geographical studies?

GEOG-970

[Turn Over]

(2)

4. What is Focus Group Discussion?
5. Describe with an example the concept of the photo quadrant.
6. Determine the scope and plan involved in data inventory.

Unit-3

Answer *any two* questions :

2×2=4

7. Differentiate between bibliography and reference.
8. What is a transect walk?
9. What are open-ended questions?
10. Write the significance of keywords in an abstract.

[Internal Assessment : 6]
